NASGW reserves the right to refuse rental of display space to any company whose display of goods or services is not, in the opinion of NASGW, compatible with the general character and objectives of NASGW.

Application of space is not an assurance of eligibility. All applications are subject to review and NASGW reserves the right to refuse any application for any reason deemed appropriate by the NASGW Board of Directors.

NASGW reserves the right to revoke exhibit privileges based on intellectual property violations, unfair trade practices or other activities in the industry deemed illegal, unethical, or contrary to the best interests of NASGW. NASGW reserves the right to remove, at Exhibitor's expense, any merchandise deemed by the NASGW Board of Directors as not suitable for display at the NASGW Distributor Marketplace. NASGW reserves the right to revoke a company's exhibit agreement should the company's products and/or services be considered ineligible by the terms listed above.

6. BOOTH CONSTRUCTION / DESIGN / LAYOUT

Booth sizes indicated in the Official Exhibitor's Kit are measured on the back dimension from the center of the 33" side rail. In order to allow an unobstructed view of neighboring booths, exhibitors are not permitted to have their backdrops exceed eight feet (8') in height, nor can they protrude more than ten feet (10') from the back wall. The reverse side of any wing panel extending from the back wall or side wall of the display must be draped to avoid raw exposure to a neighboring booth. Furthermore, no exhibit along the side rails of the booth may exceed thirty-three inches (33") in height from the floor.

Any variance to these rules must be reviewed and approved by show management. Exceptions apply to Island Booths that do not impede upon another exhibit.

7. CHARACTER OF EXHIBITS

NASGW reserves the right to prohibit an exhibitor from conducting and maintaining an exhibit if, in the judgment of the show management, said exhibitor or exhibit, or proposed exhibit, shall in any respect be deemed unsuitable. This reservation relates to persons, conduct, articles of merchandise, printed matter, souvenirs, catalogs, and any other things, without limitation, which affect the character of the exhibit.

8. USE OF SPACE

- A. No spotlight may be directed toward the aisles or so directed that it proves to be irritating or distracting to neighboring exhibit booths or guests.
- B. Droplights or special lighting devices must be hung at a level or positioned so as not to prove to be irritant or distraction to neighboring exhibit booths or guests.
- C. Back-lit transparencies or lighted displays must stay lighted for at least thirty (30) consecutive seconds. No strobe light effects are permitted.
- D. Projectors or television screens must not cause people to block aisles.
- E. Loudspeakers or operation of equipment which is of sufficient sound volume to be annoying to neighboring exhibitors or guests will not be permitted, including but not limited to music, fans, blowers, etc.
- F. Any audio system or electronic device producing irritating or intermittent or sequential sound that attracts attention to an exhibit is not permitted. The distribution of noisemakers such as whistles, crickets, horns, etc., is prohibited.
- G. All efforts to advertise, demonstrate, and operate the exhibit must be conducted so as not to trespass the rights of other exhibitors and visitors.

9. USE OF SPACE (GENERAL)

- B. No other area can be used for display purposes. Nothing can exceed the dimensions of the booth.
- C. If electricity or audio visuals are required in your display area, please complete the forms provided in the Exhibitor's Services Kit and return to the appropriate vendor.

Exhibitors are prohibited from assigning, sharing or subletting a booth or any part of the space and/or sponsorships allotted to them. Nor shall they exhibit or permit to be exhibited in their space any merchandise or advertising materials which are not part of their regular products and services, or which are not compatible with the character or mission of NASGW, **without a written request and approval from NASGW**. NASGW reserves the right to terminate any portion of the exhibit that is not in accordance with these Rules and Regulations without prior approval.

Exhibitor agrees to indemnify and hold harmless the National Association of Sporting Goods Wholesalers and the Gaylord Texan Resort & Convention Center against all claims arising out of or connected with Exhibitor's participation in this exhibit. Exhibitors or their agents may not allow any article to be brought into the exhibition or any act done on or about the exhibit premises which will invalidate the insurance of or increase the premium on the insurance maintained by the management of the Gaylord Texan Resort & Convention Center, nor permit anything to be done by Exhibitor's employees or agents which will cause injury to the premises, property or equipment of the Gaylord Texan Resort & Convention Center, the other Exhibitors, or the National Association of Sporting Goods Wholesalers. Exhibitors shall not cause or permit signs or articles to be affixed, nailed, or otherwise attached to the doors and walls of the exhibit premises, nor shall any attachments be made to the exhibit premise's floor by means of nails, screws or any other devices that would damage the floors. These restrictions are a condition of all space leases, and their violation will result in annulment of the Exhibitor's contract and subject the Exhibitor to liability for damages resulting from such violations. **EXHIBITOR MUST PROVIDE NASGW A COPY OF CERTIFICATE OF INSURANCE NO LATER THAT OCTOBER 1, 2025. IF COI IS NOT ON FILE, YOU WILL NOT BE ALLOWED TO EXHIBIT.**

A waiver will be signed by each firearms exhibitor, indicating that said firearms have been deactivated by removal of the firing pin or other alteration that render them incapable of being fired. Firearms will be tagged providing visual evidence that inspection has been completed. Tags provided by NASGW Exhibitor Services. Inspection and waiver must be completed prior to 7:00 am on Wednesday, October 15, 2025.

14. EXHIBITOR SECURITY

The exhibitor is responsible for obtaining insurance protecting Exhibitor's property on the premises. The National Association of Sporting Goods Wholesalers and the Gaylord Texan Resort & Convention Center shall not be responsible for theft, loss, or injury to exhibitor's property on the exhibition premises. Exhibitors are **required** to take individual precautionary measures such as securing portable articles of value to locking walls or in a locking case after the exhibit hours. Private security is being provided by the National Association of Sporting Goods Wholesalers on a 24-hour basis in the Exhibit Hall. Since the hall cannot be completely secured, these guards are responsible *only* for maintaining general security in the hall.

Exhibitors are responsible for retaining any private security required to protect their personal property and equipment on display. All display items must be secured during off hours or overnight. Please plan to provide locking display walls, locking storage boxes, etc. in your booth space. In addition, any Exhibitor that reduces the size of previously contracted booth space, after April 1, 2025, will be responsible for 50% of the cost of the booth space being released.** NASGW will be entitled to all money paid and owed as liquidated damages. Any reduction of space after April 1, 2025, may in NASGW's sole discretion result in forfeiture, as liquidated damages and not as a penalty, of money paid and owed for space reduced.

ALL NOTICES OF CANCELLATION OR SPACE REDUCTION MUST BE RECEIVED IN WRITING ON OR BEFORE April 1, 2025, to mpawelski@nasgw.org. Exhibitors will not be permitted to set up their exhibit until full payment has been made. NASGW reserves the right to reassign the canceled or reduced space without obligation to the exhibitor. Acknowledgement of the receipt of an application or negotiation of the appropriate deposit does not constitute an acceptance of an application. In those instances where booth space and/or sponsorship application is declined, NASGW will refund such deposit in full.

(16. continued)

NASGW, in the event of conflicts regarding space requests or conditions beyond its control, reserves the right to rearrange the floor plan. 18.EVENTUALITIES

NASGW reserves the right to cancel or postpone the show due to a potential unsatisfactory exhibitor response. In the event of postponement of the show for any cause beyond its control, NASGW will not be financially obligated or otherwise committed except that settlement by adjustment will be made to each exhibitor on a pro rata basis after deducting funds needed by NASGW to meet routine commitments and organizational costs.

19.GENERAL

NASGW may amend these regulations at any time, and all amendments that may be so made shall be equally binding on all parties affected by them, as are the original regulations.
